By way of example, and not in limitation, this Waiver and Release includes releasing and waiving claims based upon: any negligent acts or omissions of the Released Parties and any other person; contract; warranty; premises liability; products liability; subrogation; contribution; and loss of consortium or loss of society.

**I also hereby agree to indemnify, defend, and hold and save harmless the Released Parties** from any claims, damages, expenses and costs incurred of whatsoever nature (including by way of example, and not in limitation, attorney fees and expenses), which may be made against or incurred by the Released Parties, arising from or in connection with my participation, including without limitation, any claims made by me or any other person.

## Sensory & Wooded Trail Consent

The Sensory and Wooded Trails are designed to offer a variation in the setting for riding lessons. These trails will also offer the opportunity for varied learning games and cognitive stimulation in a unique setting.

It is our hope that lessons deemed appropriate for the Sensory & Wooded Trails will augment and enhance the lesson goals for the client. Each horse used on the trails has been worked in the setting so as to familiarize them to the surrounding environment. The volunteers have also had a special orientation to the trail with specific safety procedures to follow in that setting. All safety precautions are taken, however, it must be noted that a “trail” environment is different from an arena-like setting with different risks. Therefore, we ask that you consider this setting for the client’s ride and if consent is given or not given for the Sensory & Wooded Trail, please indicate so below.

I consent for \_\_\_\_\_ (Camper’s Name) to ride or drive in the designated Trail areas.
